Are you looking for the missing piece of your research?

Our biobanks might have the samples & data you need.

Meet our biobank partners

**BBMRI·be**

The European research infrastructure for biobanking and biomolecular resources in health and life sciences

*Research idea but no samples to test it on?*

*Should the samples you are collecting be registered in a biobank?*

*Some questions on the Belgian Biobank Legislation?*

*Support needed from our biobanks to store your samples or to register your biobank?*

*Looking for a research partner for health research projects?*

Find all these answers and more on our website: [www.bbmri.be](http://www.bbmri.be)
